## 2017/18 - Championship Bulletin

Bulletin number – 001

Issued 24/11/2017

Dear Championship Competitor,

We have a couple of updates / reminders for you:

1. If you have entered the championship in the last two weeks, there will be a slight delay on receiving your passes as we are awaiting delivery from the printers.
2. There is an error within the championship regulations. The table printed in Section 10.3 and the Overall points table printed in Section 10.5 are incorrect. Both tables should show scoring all the way down to 28<sup>th</sup> place as per the text description. The table below shows the correct scoring:

3. Vehicle decals – There are loads of decals carried with us to each round. These are available to collect from the championship caravan which will be sited adjacent to the Michelin Truck at each event. Please remember to display them correctly in accordance with section 8 of the championship regulations. We will be keeping a closer eye on this going forward, we would hate for people to loose points because they are not displaying the championship decals especially whilst the decals are free issue.
4. We still have some late entries available for The Knockhill event on 3<sup>rd</sup> December, it would be great to see a full entry for our first visit to the circuit – [Click Here](#) for event website

Good luck to all our competitors and we look forward to seeing you all in Scotland
